If you have any further questions then please contact us in advance and we will do our best to help you. NPF staff will be on hand to help you throughout the event. Please note that events / activities may be subject to change. Check out [www.facebook.com/airfestuk](http://www.facebook.com/airfestuk) for all the latest updates & info.

## **CAMPING**

- \*The Festival Camping Zone will be open from 0700hrs on Friday and Saturday
- \* Registration will be open each day from 0700hrs

### **IMPORTANT!!**

Thursday & Sunday - additional ticketed Camping :-

Additional camping on Thursday night and Sunday night is available at the additional price of £10 per person per night and should be booked in advance with NPF. Thursday campsite access will open from 1430hrs. If you have not booked or paid for additional camping then we will allow payment on the gate on arrival. Access to the campsite on Thursday will close at 2100hrs sharp. If you have pre-booked camping for Thursday but will be arriving later than 9pm then you **MUST** Agree your arrival time in advance with NPF . We prefer that as many arrive by 2100hrs as possible.

Players staying over on Sunday night after the event must vacate the following morning - Monday 29th July no later than midday. If you decide to stay over on Sunday evening whilst at the event then payment can be taken at registration until 5pm

\*All arrivals should report to the event entry gate on Coppice Lane as shown on the enclosed map. Please follow marshal instructions on arrival.

\*The entry / exit access gate will shut at 2100hrs on Thursday and at 2200hrs on both Friday and Saturday.

Entry and Exit from the campsite is controlled for the duration of the festival. All gates will be locked after the times above for security reasons. Anyone travelling a distance who may want to make special arrival arrangements **MUST** call the booking office to arrange this. In the event of an emergency players should immediately contact a member of the NPF team / Security staff.

## **TENTS & CARS**

wherever possible we allow cars to be parked next to your tents (weather & ground conditions permitting). Staff will be on hand to ensure that camping space is filled properly and according to expected numbers. Please follow marshal instructions – we regret that you will be unable to reserve / hold camping space for your mates.

Mobile homes and caravans are welcome. Please notify NPF in advance when booking if you will require such a pitch. Please note - We do not provide electric hook up.

Campers should bring all their own camping kit & equipment as none of this will be supplied. STRICTLY No Open fires are permitted. BBQ's MUST be raised off the ground / grass. \*BBQ SAFETY : Be carbon monoxide aware! Never place a barbeque inside or near the opening of a tent or caravan. Barbeques give off fumes for hours after you have used them - levels high enough to result in CO poisoning. Opening tent flaps, doors, or windows is not enough to prevent build-up of CO. Do not take risks!

## **DRINKING WATER**

is available from a designated mains tap. We recommend you bring a water container/s in order to transport water to your camping area/pitch.

\* Strictly no firing of paintball / airsoft markers at any time in the camping zone. The use of pyrotechnics anywhere in the camping zone is also strictly forbidden. Anyone breaching this runs the risk of being ejected from the event.

## **TOILETS**

Good quality portable toilets and male urinal pods will be provided. We ask that all players keep toilets clean and tidy for everyone's use please. Toilets will be inspected & cleaned throughout the event. If you find a problem with the facilities then please report to registration staff immediately.

## **SHOWERS**

There will be a HOT shower block at the event for player / visitor use. Shower wristbands cost £12 and can be pre-booked in advance or purchased from registration on arrival. Wristbands give access to shower facilities for the duration of the weekend. The shower block will be manned and only those wearing SHOWER wristbands will be admitted.
